

sex shouldn't be wasted

NEITHER SHOULD YOUR LIFE.

Partying with alcohol can quickly turn into a dangerous situation that could ruin your life. Face facts: if she's wasted, intoxicated, asleep, or unconscious, there's no such thing as "consent." Rape by intoxication is a serious felony that destroys lives and puts offenders in state prison for 8 years. Look for the signs, and stop it before it happens. One choice can change everything.

Look out for your friends. Don't let it happen.
